COMMUNITY INPUT

Public comments are important to the Board. However, it is the Board's policy not to take action on items until time has been taken to gather information and discuss all options. Lack of action does not imply lack of interest in the issues. During the community input portion of the agenda the board typically will ask residents to provide input prior to accepting input from nonresidents.

CONSENT AGENDA

Consent Agenda items are considered by the Park District to be routine and will be enacted in one motion. There will be no separate discussion on these items.
