Northside Park Renovation Project

Due to the Northside Park Renovation Project, Camp Illini and Mean Camp Green will be housed at an offsite location to be determined at a later date. Due to the relocation, camps will be unable to swim or canoe this summer. The location may have changed, but your children will still have the same great camp experience with the same great staff. Please bear with us during this summer of change as we look forward to a new and improved Northside Park in the summer of 2011!
