Junior Curator Camp

Come get a "behind the scenes" look at how a museum works! How are exhibits planned for and created? Who puts all of the objects on display? During this week's special summer session, kids have the opportunity to create and exhibit their own collection. Participants explore the museum's collections, research mysterious historic artifacts, create art projects with recycled photographs, perform conservation experiments, and learn history through games. From helping to choose the exhibition content to creating the works on display, kids work on a variety of projects that they'll get to put on exhibit and share with the DuPage County Historical Museum and all its wonderful visitors.

HUBBLE

athletic center

A facility of the Wheaton Park District 
In cooperation with School District 200

Wheaton Park District is excited to announce the opening of the Hubble Athletic Center! Through an intergovernmental agreement with School District 200, the park district is using the indoor athletic areas in the old Hubble Middle School facility to provide new programs, rental and party opportunities.

Amenities include...

- 4 basketball courts
- 3 volleyball courts
- 2 batting cages
- Tumbling area
- Indoor soccer training areas
- Baseball/softball training areas
- Meeting/birthday party room
- Concession stand

With the addition of the Hubble Athletic Center comes an increase in the variety and number of programs the Wheaton Park District offers including a tumbling program for older participants which expands on our current offerings. In addition, we have started a hitting league to provide an opportunity for baseball and softball players to work on their game for this spring. Also featured are youth camps, programs and leagues for basketball, volleyball, soccer, baseball and softball. There's something for everyone!

Facility and party rentals are also available.
